Both teams went well with runs coming with some good Ryan Speck. He has a throwing arm that puts missiles launch out in the front field and is pretty quick.

Daniela again shone with some great outs at bat two. Well she helped our team big time. ON THE FULLOUT OF THE FRONT FIELD. This was done so that person would be un-crazy by the time the inni wellike and wedid.. Now it was time for all hitters still came with Ryan getting around all the bases on a great competition between Kalle and Ryan cropped up. got the first laugh with some crafty hitting only to real cracker of a hit by Kalle.

ell her partner Kalle is not to be bad at throwing either. So with the first inning done the first rule changes eto the fact that both teams could only have one back ng was done. So in came the new rule. I mean this is to hit the ball hard into the playing surface and get hit and Kalle doing the same. Everything was pretty even Ryan trying to outfox Kalle and Kalle doing the same

so came in. NO HITTING fielder in place our game we can do what the bounce to do the rest. Runs ninther un department. meright back at hi Kalle
